

# MIAAMI GOLF

In **Alvin and the Chipmunks – The Road Chip**, the chipmunks and Dave meet Dave's new girlfriend and her son Miles on a mini-golf course. The lovebirds are waiting at the finish line and the Chipmunks want to impress them, but Miles makes it difficult for them to get their golf ball into the hole. In this game, the goal is to get your ball to the 18th hole but there are some obstacles you need to overcome.

**Cut out the golf ball pieces to use to make your way around the course. You will also need a die.**

1. Each player places their golf balls on the starting hole.
2. Take turns to roll the die. Move your ball forward the number of spaces shown on the die.
3. If your golf ball lands on a windmill, you may be sent forwards or backwards depending on the instruction on the windmill.
4. If your golf ball lands on the same space as a boot, you need to skip your turn and you will be blocked on that spot for one round.
5. The first player to get to the 18th hole is the winner!
